

THE SCHOOL DISTRICT OF PHILADELPHIA

NorthEast High School **School-Parent Compact**

School Year 2023-2024

Revision Date:
4/14/2023

Dear Parent/Guardian,

JOINTLY DEVELOPED

The Parents, students, and staff of Northeast High School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the Spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the School Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs, policies and family engagement during a meeting held on April 14, 2023 this document was agreed upon with parents.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

[The Board of Education's updated Goals and Guardrails are available on the School District Website at www.philasd.org.](http://www.philasd.org)
